

Brief Report on Children's Wheel chair Distribution Program September to December 2018

Submitted To:

The volunteers group to
send wheel chairs to overseas children Japan, Tokyo

Introduction:

Community Based Rehabilitation Service (CBRS) Nepal is a non government organization affiliated to social welfare council and registered at district administration office Kaski Nepal. It has been working since 1995 on CBR approach for and with people with disabilities, their families and community for their quality of life. It has own vision, theme and activities for empowerment, rights, inclusion, holistic development and rehabilitation of people with disabilities.

CBRS and the volunteers group to send wheel chair to overseas children Japan had agreement on 2069/2070 BS (2014/015 AD) to provide hundred children wheel chairs. It was a great achievement and best learning to the children with disability of Nepal, it has built their ability, accessibility and mobility in the society. Therefore CBRS again requested to this organization for the hundred children wheelchair in need based by managing all legal procedure. This year (2018), CBRS requested again ninety numbers of child wheel chairs they have agreed and send to CBRS.

Then CBRS is doing co-ordination to the local government of three districts i.e. Kaski, Syangja and Tanahun and distributed the wheelchairs at their presence as a chief guest.

Objective:

- ◇ To maintain the quality of life of children with disabilities.
- ◇ To increase their physical and social mobility.
- ◇ To strength them in socialization process.
- ◇ To build their functional accessibility.
- ◇ To keep continue the relation between CBRS and Volunteers group to send wheel chair to overseas children.

Activities:

- i. Management, supply and delivery of ninety child wheel chairs from Japan to CBRS Nepal.
- ii. Landing, setting and store management of wheel chair
- iii. Co- ordination with local government and distribution/ hand over to children with disabilities or their parents.
- iv. Orientation to children and parents about wheel chair handling.
- v. Orientation workshop to CBRS staff/ technicians on wheel chair chandelling.
- vi. Monitoring and follow up.
